Dear Mrs Hill

**Donation to Brecon Mountain Rescue Team:**

Thank you for the cheque received for the sum of £65 which is to be allocated towards our new vehicle appeal fund.

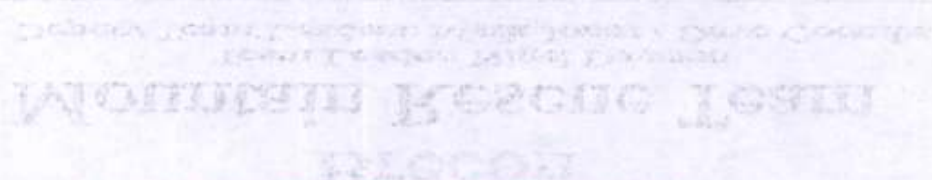

We really appreciate that your organisation has considered us for this donation and you can be assured it has been very well received. This is an excellent example of a local community getting behind another local charity and helping out when help is needed. If you would like to keep updated on the 'vehicle' appeal, information is updated regularly on our website ([www.breconmrt.co.uk](http://www.breconmrt.co.uk))

I have enclosed a copy of our 2011 year book which I hope you may find interesting and please convey my thanks to all your other colleagues who have been instrumental in approving this donation to our team.

Yours sincerely

*Kevin*
